

Fashion and style has become a watchword for social acceptability as both, men and women have discovered what works well for them and enhances their image in the manner that never before. The style emanates from within, extends all over the personality and leaves its own indelible impression on others minds. After all, style is an aspect of beauty that must be shared with all. Fashions begin in our studios and end up on the consumers. For decades, we have been known for our ingenuity in setting new trends, introducing new genres and adding a fresh new look to existing fashion range in garments, accessories, cosmetics and coordinates.
