

A Logistics, was formed in 1985 to support the distribution of print product to US & Canada home users. Since then, A Logistics has become the nation's leading distributor of direct mail, books, parcels and packages. For over 30 years, A Logistics has set the standard for reliable time-critical shipping and logistics services. As one of the largest independent providers of these services, our customers rely on us to meet their most vital shipments needs.

In 1991, A Logistics entered in expedited logistics. Shortly thereafter, A Logistics expanded its base of operations by servicing customers outside the USA & CANADA. A Logistics is a communications services and logistics company.
